Re: Structure/Function Label Claim

This letter is to notify the Food and Drug Administration that within the past 30 days our company has begun to market Swedish Bitters alcohol-free Dietary Supplement, with the following statement of nutritional support included on the label for the product:

**Take before meals to stimulate the stomach to improve digestion or after meals to relieve feelings of fullness or gas.**

We have also included the following caution statement: **This product contains Senna. Do not use if you have or develop diarrhea, loose stools, or abdominal pain. If you are pregnant, nursing, taking medication or have a medical condition, consult your physician before using this product.**

The dietary ingredients of the product that are the subject of the above statement are: **Aloe juice, angelica root, manna resin, rhubarb root, senna leaf, zedvoary root, theriac venezian root, carline thistle root, myrrh resin, camphor resin, saffron style.**

It is hereby certified that the information in this notification is complete and accurate, and that our company has substantiation that the above statement(s) is truthful and not misleading.

Very truly yours,

Flora Inc.
